INFO COVID-19

Dear colleagues,

I hereby inform you that the Government of Romania issued Decision no.1065 / 11.December.2020 regarding the extension of the alert status by 30 days in Romania, until January 14.2021.

According to the Decision of the National Council for Emergency Situations number 58 / 10.December.2020, the imposed restrictions are maintained: the obligation to wear a mask, avoid crowded spaces, practice sports in accordance with the specifications and restrictions imposed by the Ministry of Youth and Sports.

It also maintains the quarantine measure for people traveling to and from countries at high risk of Coronavirus infection. Their list at this time is as follows: Georgia, Serbia, Croatia, Montenegro, Lithuania, San Marino, Andorra, Slovenia, Curaçao, United States, Hungary, French Polynesia, Sweden, Belize, Liechtenstein, Northern Macedonia, Switzerland, Austria, Jersey, Panama, Bulgaria, Palestine , Azerbaijan, Portugal, Jordan, Czech Republic, Armenia, Italy, Denmark.

The number of cases of Coronavirus infections in Romania has been declining in the last two weeks, having been reduced to almost half of November 29.2020.

This gives us hope that the pandemic situation will improve, so that we can organize the world championship in the best conditions.

I will periodically inform you on the evolution of the COVID-19 situation in Romania.

Ioana DUMITRU-Secretary General
of Romanian Modelling Federation
