

## **Proposal CAT 1 juniors**

The Junior age limit specified in C.5.1 be increased by 1 year for participation in CAT 1 events which were postponed from 2020 to 2021. This applies to

### **World Championships**

Junior events in F1D, F1A, F1B, F1P, F3J, Space models

4th team member junior in F2A, F2B, F2C, F2D, F3F, F4CH, F5B

### **European Championships**

Junior event in F5J

**Reason:** For some of the junior competitors who were preparing to participate in the 2020 Championships these would have been their last championship as a junior. In the case of the Championships which have been postponed from 2020 to 2021 the change of rule will allow them to continue to compete in the 2021 Championships concerned.

## **Proposal World Cup juniors**

The Junior age limit specified in C.5.1 be increased by 1 year for participation in Junior World Cup events in 2021. The classes with specific World Cups for Juniors are F1A, F1B, F1P, F1E.

**Reason:** To allow a last Junior World Cup for the competitors who were in their final year as a junior in 2020.
