INFO COVID-19

Dear colleagues,

I come back with new information regarding the situation of COVID-19 in Romania.

On August 1 the situation of COVID-19 in Romania is very good, the incidence rate is less than 0.06 per thousand inhabitants. 5 million Romanians were immunized, exceeding 25% of the population.

According to the current internal regulations of Romania, the members of the sports delegations arriving in Romania to participate in sports competitions organized on the national territory, from countries in the red zone of epidemiological risk are exempted from the quarantine measure established according to the provisions of this decision an RT-PCR test for SARS-CoV-2 infection performed no later than 72 hours before entering the country and participating only in activities within the mentioned competitions.

The Government of Romania issued Decision no.44 / 07.July.2021 regarding the extension of the state of alert by 30 days in Romania, starting with July 12.2021.

According to the Decision of the National Council for Emergency Situations, the imposed restrictions are maintained:

-the obligation to wear a mask in crowded spaces;

-conducting sports competitions on the Romanian territory, in open spaces, to be achieved with the participation of spectators up to 50% from the maximum capacity of the space. Participation is only allowed for people who are vaccinated against the SARS-CoV-2 virus for which they have 10 days after the completion of the complete vaccination schedule, people who shows the negative result of an RT-PCR test for SARS-CoV2 virus infection not older than 72 hours or the certified negative result of an antigen test rapidly for SARS-CoV-2 virus infection not older than 24 hours, respectively persons who are in the period between the 15th day and the 180th day thereafter confirmation of SARS-CoV-2 infection, under the conditions established by the common order of the Minister of Youth and Sport and the Minister of Health;

-allowing the development of sports competitions on the territory Romania with the participation of spectators over 50% of the maximum capacity of space can only be
