- **UAV regulations**

In Romania, a senior UAS (Unmanned Aircraft Systeme) pilot cannot benefit from other privileges than those offered by the proof of completion of the online theoretical training (A1/A3) or the theoretical knowledge certificate for the remote pilot (SPEC); exceptions are those who carry out operations: in the INDOOR classes, with unmanned aircraft of the physically restricted classes, with unmanned aircraft with an MTOM of less than 250 grams or with a toy, as defined in Directive 2009/48/EC.

A junior UAS pilot may be privileged to conduct UAS operations without being registered with the AACR (Romanian Civil Aeronautics Authority) and without holding proof of completion of online training (A1/A3)/remote pilot theoretical knowledge certificate (SPEC) under direct supervision of the coach or an adult who holds proof of training for the respective category.

The practical training of remote pilots from other countries, who participate in the international competitions organized in Romania, is carried out on the first day of the competition, dedicated to this purpose (training day). The proof of completion of theoretical training and the Certificate of theoretical knowledge for remote pilot (SPEC) obtained by athletes in the countries from which they come, will be recognized by the Romanian Modelling Federation and the Romanian authorities.

In conclusion, in accordance with the Procedure of the Romanian Modelling Federation for the training of UAS pilots, all participating seniors and junior Team Managers must provide proof of online theoretical training. The practical training for the flight in the "SPECIFIED" category, at a height higher than 120 m, will be done on the official training day. Then, the Romanian Federation of Modeling issues for each senior or TM/coach of juniors, a Certificate that you can use at all international model aircraft competitions in Romania, for any competition category. The price for issuing the Certificate is 10 euros.
